Setting Up A Print Account and Adding Funds
In order to print copy or scan as a CLC guest, you will need to set up a guest printing account by completing the following steps.

To create an account:
1. go to clcprint.clcillinois.edu
2. Select the option I am a guest
3. Fill out all of the fields, including the text shown in the security image, then select the Create button.
4. You are now logged in and will need to add funds to your printing account. Please see steps outlined below.

Adding Funds Using a Debit/Credit Card

1. When you are logged in to clcprint.clcillinois.edu using your new username and password, you will see your current fund balance and the option to add funds. If you are using a Debit/Credit Card, click the Add Funds link.
2. Choose the amount you would like to add to your account (must be between $2 and $20). Note: the transaction fee is based on a percentage of the funds you add and will display accordingly. When ready, click I agree to pay the total above and click Continue to Payment.

3. You will then be directed to the PayPal page.

4. If you have a personal PayPal account, login by clicking Log In at the top of the page.

5. To Login as a guest, fill in your credit/debit card information and billing address here.

6. Once completed, click Pay Now.

7. You will now have the funds available in your guest printing account.

**Adding Funds Using Cash**
To add funds using cash, you will need to go to the College Bookstore for assistance. A Bookstore Cashier can help add funds when you provide them with your username or first and last names on your guest printing account.

Printing in an Open Lab

Printing in an Open Lab to Printers
The space in the open labs are equipped with PCs for student use as well as a printers and a PC that acts as a release station for your print jobs. You must log into the release station in order to print. Note: the open lab located on the first floor of the Learning Resource Center (LRC) at the Grayslake campus is only equipped with Konica Minolta multi-function printers. Please see the “To Multi-Function Device” instructions below when printing in this area.

1. **Select your printer.** To print in black & white choose CLC Print BW; to print in color choose CLC Print Color.
2. **Select your printing options.** Choose whether you want to print single or double-sided. Note: by default, all printers capable of performing this function will print double-sided but not all printers can do this.
3. **Provide Credentials.** You will be asked to provide the Email address associated with your print account.
4. **Select the document(s) you wish to print.** Go to the release station PC located next to the printer(s). Login with your student Username and Password. Check the box next to any document(s) you wish to print.
5. **Print your document.** Select the button on the lower right-hand side. The system will automatically send document(s) to the appropriate printer.

Printing in an Open Lab to a Multi-Function Device

1. **Select your printer.** To print in black & white choose CLC Print BW; to print in color choose CLC Print Color.
2. **Select your printing options.** After you choose a printer, select Properties for finishing options. Choose whether to print single or double-sided (by default, all printing is set to double-sided) and if you want to staple your documents.
3. **Print your document.** Go to any copier on campus. Note: only Konica Minolta model C458 can print in color. Login with the instructions titled Using the Copiers (below).
Login at the Copy Machine
In order to access any of the functions of a copier you must enter your Username and Password. Note: Your Password is case sensitive and must match exactly as it was created.

Touch the keyboard icon next to the Username field. Enter your Username on the keyboard. Hit OK on the keyboard, then select Login to get to the Password Screen.

Touch the keyboard icon next to the Password field. Enter your Password on the keyboard. You must enter it exactly as it is. Use the Shift key to access all the keyboard functions. Hit OK on the keyboard screen, and then select OK on the Password screen.

Upon successful login, your student username and student printing balance are displayed. Hit OK to proceed. You will now have access to all the machine’s functions.

Access the Device’s Functions
Choose from the functions listed below.

A. CLC Print (APP)
B. Copy
C. Scan
Select Documents to Print
To access your print files, select APP, then CLC Print. This will display your print jobs.

Hit Print ALL to release all documents at once.

Highlight individual document(s) that you want to print or delete.

Hit the blue Print button to release the documents.

Hit the Delete button to discard the documents.

To logoff, hit the Access button to the right of the display screen and hit Yes. The system will auto logoff after 30 seconds.

Scanning to a USB drive
Insert the drive into the USB port located on the right side of the copier display.
If the copier does not recognize the drive, it may not be a compatible device. DO NOT disconnect the USB device during the printing process.

1. Tap Save a Document to External Memory
2. Name Document by hitting keyboard icon to right of Filename
3. Hit Check Setting and choose your document scan settings
4. Place your document in the top document feeder or on the glass
5. Press the blue Start key

DO NOT disconnect the USB device during the scanning process

<table>

</tr>
</tbody>
</table>

Scanning to Email
To access this function, select SCAN.

1. Select the “Me” button on the display to automatically choose your Email address.
2. Place your document in the top document feeder or on the glass.
3. Press the blue Start key.
Printing from an Email
Follow the steps below to upload a document into the CLC print system from an Email.

1. **Login to your Email.** Access your student Email.
2. **Compose a new message.** Enter clcprint@clcillinois.edu in the “To” field.
3. **Attach a document.** Attachments as well as the contents of your Email will be uploaded into the CLC print system.
4. **Print your document.** Go to an open lab with a printer or a copier. Login with your student username and password. Select the document(s) you wish to print.

Printing from a Mobile Device
Follow the steps below to upload a document into the CLC print system from your mobile device. Download the Pharos Print mobile app, available in the Google Play Store or the Apple Store.

1. **Connect to CLC Print:** Open the Pharos Print app and enter clcprint.clcillinois.edu as the Server Address and 443 as the Server Port then select connect.
2. **Login:** Use your student username and password.
3. **Upload a file:** Select the button and attach the file you wish to print.
4. **Choose printing options:** Select your document by checking the box next to it then go to the “Print options:” section.
   - **Options:** single-sided or double-sided, black and white or color, and how many copies.
5. **Logout:** Select the icon then select Log Off
6. **Print your document.** Go to an open lab with a printer or a copier. Login with your student username and password. Select the document(s) you wish to print.
Public Guest Printing Procedures

Printing from Your Personal Computer
Follow the steps below to upload a document into the CLC print system from a personal computer.

1. Go to URL. Open any internet browser and go to clcprint.clcillinois.edu.
2. Login. Use your student username and password.
3. Upload document(s). Select the Upload button and attach the file you wish to print (a list of supported file types is shown when the cursor is over the Upload button).
4. Choose printing options. Select your job by checking the box next to it then go to the “Print options:” section. Select Single-sided or double-sided, Black & White or Color, and the number of copies.
5. Logout: Move the cursor over your name and select the Log out button that appears.
6. Print your document. Go to an open lab with a printer or a copier. Login with your student username and password. Select the document(s) you wish to print.

Public Guest Printing FAQ

Do I get charged to scan documents to Email or USB drive at a copier?
No, scanning a document to an Email or a USB drive has no charge.

How much does printing cost?

Can I get a refund for the funds I do not use?
Any funds you add to your account using PayPal will remain in your account until you use them. We cannot offer refunds.

Can I add funds to my account if I do not have a credit card or PayPal account?
Yes, the Bookstore at all three campuses can assist with cash payments into your printing account.
